Dear Parent,

I am so excited that you have decided to take on the challenge to help your child reach ONE MILLION WORDS. One of the greatest gifts we can offer our children is the passion to read, to learn, to grow. It is wonderful that you not only want to encourage your child through words, but by your actions, too. As you take on this inspiring reading endeavor together, I have assembled this packet of information. Here are the rules:

Read. You can read to your child, with your child or they can read on their own [or to you].

Help your child keep a record of the books they read on the log.

The word count can be found at [ARBook Finder](#). Select Teacher and hit SUBMIT. Type in the book title. Click on the book. Find the word count and record it. Tally the total words as you go.

Have fun reading!!
